REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Instant claims 1-19 are allowable for the reasons of record found in Applicant's Remarks and 1.132 Declaration filed on January 20, 2004. Specifically, applicant has provided a showing of unexpected results in enzyme stability in a light duty liquid dishwashing detergent that contains the specific diols or polymeric glycols required in the instant invention.

Accordingly, the claims viewed as a whole would not have been obvious to one of ordinary skill in the art at the time of the invention after viewing the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian Mruk whose telephone number is (571) 272-1321. The examiner can normally be reached on Monday-Thursday from 7:00 AM to 5:30 PM.
